Kingdom Warriors, a non-profit ministry committed to the New Testament teachings of Jesus Christ, is announcing the release of *Never Surrender*, the autobiography of General Jerry Boykin. *Never Surrender* is available now for pre-order online and will be in bookstores everywhere July 29, 2008.

In 1978, Boykin joined what would become the world's premier Special Operations unit, Delta Force. The only promise: "a medal and a body bag." What followed was a .50 caliber round in the chest and a life spent with America's elite forces bringing down warlords and war criminals, despots and dictators.

*Never Surrender: A Soldier's Journey to the Crossroads of Faith and Freedom* is the fascinating personal account of General Boykin's 36 years as a Special Forces soldier. From the jungles of Vietnam and South America to firefights in Somalia, Boykin's life reads as if it were taken directly from an action movie. In Colombia, his task force hunted the notorious drug lord Pablo Escobar. In Panama, he helped capture the brutal dictator Manuel Noriega, liberating a nation.

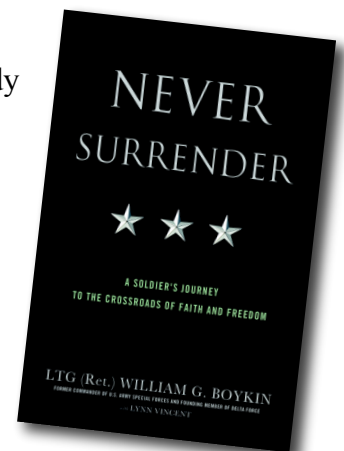

Boykin made national headlines in 2004 for preaching at evangelical churches while in uniform. The ensuing controversy was far more malicious than he ever could have imagined, and more than most men would have endured, but Boykin remains unashamed of his faith and relationship with Jesus Christ.

Boykin's powerful story will keep you riveted as he reveals how his military duty and faith worked in tandem to bring him through the bloody storms of foreign battle - and through the political firestorm that ambushed him in his own country.

Boykin founded Kingdom Warriors in 2008 along with Dr. Stu Weber. Dr. Weber is the founder and pastor of Good Shepherd Community Church in

Oregon and has spoken at Promise Keepers events all over the United States. The Kingdom Warriors message resonates with men and women of all ages and is equipping Christians for service in the army of God.
